March 16, 2020

Dear SEMI Regional Meeting Attendee,

On behalf of the State of New Jersey's Departments of Education (DOE), Human Services (DHS) and the Treasury, I would like to personally thank you for support of the Special Education Medicaid Initiative (SEMI) and commitment to attending the Spring Regional Meetings. Out of an abundance of caution, we have decided that the regional meetings, scheduled for March 30 through April 3, 2020, will postponed in light of current events associated with COVID-19 virus. When school districts reopen, we will replace the in-person meetings with a number of webinars that will be scheduled to meet the interests of as many school districts as possible.

The State's third party vendor, Public Consulting Group (PCG) will coordinate with the State to reschedule these meetings in a webinar format later this spring. The schedule of the webinars, which will focus on leveraging school district data in supporting the SEMI Program, will be shared statewide once dates have been determined. Links to those webinars will be sent to you at least a week prior to the online, rescheduled sessions. I, along with my colleagues from the New Jersey Department of Education and Department of Human Services, will be on the webinars and available to answer your questions.

If you need any additional information on COVID-19, please visit the State of New Jersey Department of Health website at <https://www.nj.gov/health/cd/topics/ncov.shtml>.

Sincerely,

Cathy Nichols  
State SEMI Contract Manager
