DPMC NUMBER: T0687-00 **SBE Set-Aside**
F&A New Façade System
Finance and Administration Bldg. – NJDOT HQ
Ewing, Mercer County, NJ

The DPMC is seeking to engage the services of an architectural firm with the objective to replace the window and brick façade on the Finance and Administration Building at the New Jersey Department of Transportation Headquarters with a new façade system.

The DOT Finance and Administration (F&A) Building is a three-story steel framed structure with concrete masonry walls and brick façade. The building was built in 1969 and is connected to the south side of the Main Office Building via an enclosed connector. The building has been experiencing water infiltration for years.
