Please share the attached flyer with your staff.

The NJDPB is pleased to offer the PERS & TPAF Retirement Series! This series is designed for members interested in retirement planning information while focusing on one topic at a time.

Exploring Your Pension Options explains the various pension options for PERS & TPAF members that include financial flexibility when there is a need to provide for others after your death. We will discuss the different options that are available, who can be named as a beneficiary, the effect each option has on your own monthly benefit, and other important advantages and limitations to consider. This webinar is approximately 25 minutes long and is followed by a brief Q&A period.

Live Webinars are hosted by GoToMeeting and can be attended from your own computer without the need to travel. Members must register to attend by clicking on the [Registration link](#) in the attached flyer.

Members who are unable to attend the webinar in real time may view a recorded version located in our [Video Library](#) on the NJDPB website at their leisure.
