This employer training session is designed for anyone in benefit administration or responsible for maintaining their location's health benefits under the State Health Benefits Program (SHBP) or School Employees' Health Benefits Program (SEHBP). The webinar focuses on guidelines to follow when a COBRA offering is due for an employee or their eligible dependent. The training defines COBRA and outlines the qualifying events for eligibility. We review the mandated timeframes, enrollment and payment processing, and required distribution procedures under the federal guidelines. The webinar is approximately 15-20 minutes in duration and includes a Q&A period.
