SUBJECT: Retirement Estimate Webinar for Your PERS & TPAF Members

Please share the attached flyer with your staff.

The NJDPB is pleased to offer the PERS & TPAF Retirement Series! This series is designed for members interested in retirement planning information while focusing on one topic at a time.

How to Run a Retirement Estimate is designed to show PERS & TPAF members how to do a retirement estimate using the Member Benefits Online System (MBOS) and the website Long-Range Calculator. We will view a sample estimate with pension payment options available to PERS & TPAF members. This webinar is approximately 20 minutes in duration and is followed by a brief Q&A period.

Live Webinars are hosted by GoToMeeting and can be attended from your own computer without the need to travel. Attendees must register by clicking on the [Registraton link](#) in the attached flyer.

Members who are unable to view the webinar in real time may view a recorded version located in our [Video Library](#) at their leisure.
