PART I – QUALIFICATIONS

In order to be eligible for the tax credit, the answer to both questions in Part 1 must be "YES." If the answer to either question is "NO," the taxpayer is **NOT** entitled to the Business Retention And Relocation Tax Credit.

Taxpayers that have received a transfer of tax credits as a result of an agreement with the New Jersey Economic Development Authority must attach the related tax credit transfer certificate(s) issued by the New Jersey Division of Taxation.

Part II – CALCULATION OF THE AVAILABLE BUSINESS RETENTION AND RELOCATION TAX CREDIT

Follow the instructions on lines 3 through 5 to calculate the total Business Retention and Relocation Tax Credit

Part III – CALCULATION OF THE AVAILABLE BUSINESS RETENTION AND RELOCATION TAX CREDIT

The allowable Business Retention and Relocation Tax Credit for the current period is calculated in Part III. The amount of this credit in addition to the amount of any other Business Tax Credits taken, cannot exceed an amount which would reduce the total tax liability below zero (0).

Taxpayers claiming multiple business tax credits must list any credits already applied to the tax liability to ensure accuracy of the calculation for maximum credit allowable.

Part IV – BUSINESS RETENTION AND RELOCATION TAX CREDIT CARRYOVER

Although there is a limitation of the amount of credit allowed in a tax year, the amount of unused credit may be carried forward to the next tax period and expires thereafter. Complete Part IV to determine the carryover amount.
