| Single <br> Married/CU partner, filing separate return | $\$ 10,000$ |

## Which Form to File

Military personnel and their spouses/civil union partners, see page 31.

* A home is not permanent if it is maintained only for a temporary period to accomplish a particular purpose (e.g., temporary job assignment). A home used only for vacations is not a permanent home.

New Jersey Residents Working/Living Abroad. Use the chart above to determine if you are considered a New Jersey resident for tax purposes. New Jersey residents working or living abroad have the same filing and payment requirements as residents living in New Jersey.

Part-Year Residents. There is no part-year resident return. You may have to file both Form NJ-1040 to report income you received for the part of the year you were a resident and Form NJ-1040NR if you had income from New Jersey sources for the part of the year you were a nonresident.

## Things to Know Before You Begin Your 2022 NJ-1040NR

Check the following items to avoid mistakes that delay returns and refunds.

## When to File

In general, your New Jersey Income Tax return is due when your federal income tax return is due. If you are a calendar year filer, your 2022 New Jersey Income Tax return is due by April 18, 2023. If you are a fiscal year filer, you must file your return by the 15th day of the fourth month following the close of the fiscal year.

## Postmark Date

All New Jersey Income Tax returns postmarked on or before the due date of the return are considered filed on time. Tax returns postmarked after the due date are considered filed late. If the postmark date on your return is after the due date, the filing date for that return is the date we received your return, not the postmark date.

## Extension of Time to File

There is no extension of time to pay your tax due - only to file. Penalties and interest will be charged if you pay your tax after April 18, 2023. (Military personnel and civilians providing support to the Armed Forces, see page 31.)

You can receive a six-month extension of time to file if you pay at least $80 \%$ of your tax liability (line 42) through withholdings, estimated payments, or other payments by the original due date, and

- You enclose a copy of your federal Application for Automatic Extension, if filed by paper, and check the box at the top of your $\mathrm{NJ}-1040 \mathrm{NR}$ (or enter your confirmation number in the space provided if you filed the extension application online or by phone); or
- You file Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by April 18, 2023. You can also file an extension application online until 11:59 p.m., April 18, 2023.

If you do not meet the requirements for an extension, or you do not file your return by the extended due date, we will deny your extension request and charge penalties and interest from the original due date of the return. (See "Penalties, Interest, and Collection Fees" on page 31.) You will not receive an approved copy of your extension request. We will notify you only if we deny your request, but not until after you actually file your return.

## Filling Out the Form Properly

- Use only a 2022 return for the 2022 Tax Year.
- Use only blue or black ink.
- Enter last name first on the return. This is different from the federal return.
- Use "State Wages" from box 16 of your W-2, not federal wages (box 1).
- Do not use dollar signs or dashes.
- Do not report a loss on Form NJ-1040NR (see page 6).
- To request a refund, you must enter an amount on line 64.

## Rounding

Instead of making dollars-and-cents entries on your return, you can round and use whole dollar amounts. If you round, do so for all lines, and enter " 00 " after the decimal for cents.

Round amounts of 50 cents or more up to the next whole dollar. For example, $\$ 26.78$ becomes $\$ 27.00$.

Round amounts of less than 50 cents down to the next whole dollar. For example, $\$ 13.45$ becomes $\$ 13.00$.

Round the total, not the amounts used to calculate the total. For example, the sum of $\$ 13.45$ and $\$ 46.24$ is $\$ 59.69$, which becomes $\$ 60.00$.

## Terms to Know

Domicile. A domicile is the place you consider your permanent home - the place where you intend to return after a period of absence (e.g., vacation, business assignment, educational leave). You have only one domicile, although you may have more than one place to live. Your domicile does not change until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey. Your home, whether inside or outside New Jersey, is not permanent if you maintain it only for a temporary period to accomplish a particular purpose (e.g., temporary job assignment). For more information, see publication GIT-6, Part-Year Residents and Nonresidents.

Spouse/Civil Union Partner. The term spouse also refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.

## Line-by-Line Instructions

## Name and Address

Print or type your name (last name first), complete address, and ZIP Code in the spaces provided. If you are filing jointly, include your spouse's name. Your refund and next year's form will be sent to the address you provide.

Change of Address. Check the "Change of Address" box if your address has changed since you last filed a New Jersey return.

Foreign Address. Check the box if your mailing address is outside the United States.

## Social Security Number

You must enter your Social Security number in the spaces provided on the return. If you are filing jointly, enter both filers' numbers in the same order as the names.

If you (or your spouse) do not have a Social Security number, contact the Social Security Administration to apply for one. If you are not eligible for a Social Security number, contact the Internal Revenue Service to get an individual taxpayer identification number (ITIN) and enter your ITIN in the spaces provided for your Social Security number. If you (or your spouse) applied for but have not received an ITIN by the return due date, enclose a copy of your federal Form W-7.

## State of Residency

Indicate the place outside New Jersey where you lived for the period covered by this return.

## NJ Residency Status

If you were a New Jersey resident for any part of the year, list the month, day, and year in the tax year your residency began and the month, day, and year in the tax year it ended. For example, if you moved to New Jersey August 4, 2022, enter 8/4/22 to 12/31/22.

You must file a nonresident return if you received income from a New Jersey source while you were a nonresident and your income for the entire year (not just your period of nonresidency) was more than the filing threshold for your filing status (see page 2). Only report income you earned while a nonresident of New Jersey.

You must prorate exemptions, deductions, credits, and the pension/retirement and other retirement income exclusions based on the number of months you were a nonresident. For this calculation, 15 days or more is considered a month. If you received income while you were
a resident of New Jersey, you also may need to file a New Jersey resident return, Form NJ-1040.

## Lines 1-5 - Filing Status

In general, you must use the same filing status as you do for federal purposes. Fill in only one box.

Single. Your filing status is single if you were not married or a partner in a civil union on the last day of the tax year, and you do not qualify to file as head of household or qualifying widow(er)/surviving CU partner.

Married/Civil Union Couples. If both you and your spouse were nonresidents for the entire tax year, and only one of you had income from New Jersey sources, that spouse can file a separate New Jersey return even if a joint federal return was filed. The spouse with income from New Jersey sources calculates income and exemptions as if a federal married, filing separate return had been filed. You have the option of filing a joint return, but in that case, your joint income would be reported in column A of Form NJ-1040NR.

If one spouse was a nonresident and the other a resident during the entire tax year and both had income from New Jersey sources, they can file separate New Jersey returns (the nonresident files a nonresident return and the resident files a resident return). Each calculates income and exemptions as if a federal married, filing separate return had been filed. You have the option of filing a joint resident return, but in that case, your joint income would be taxed as if you both were residents.

If you are filing separately, enter your spouse's Social Security number in the space provided under line 3.

Note: You can file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year. Members of a domestic partnership cannot use the joint or separate filing statuses unless they entered into a legally sanctioned same-sex relationship outside New Jersey.

Head of Household. You can use this filing status if you meet the requirements to file as head of household for federal purposes. For more information, visit the IRS website.

Qualifying Widow(er)/Surviving CU Partner. You can use this filing status if your spouse died in 2020 or 2021 and you meet the requirements to file as Qualifying Widow(er) for federal purposes. For more information, visit the IRS website.

Civil Unions. Partners in a civil union must file their New Jersey Income Tax returns using the same filing statuses as spouses under New Jersey Gross Income Tax Law. If
you are a partner in a civil union, your New Jersey filing status may not match your federal filing status.

For more information, see GIT-4, Filing Status.

## Exemptions

## Line 6 - Regular Exemptions

You can claim a $\$ 1,000$ exemption for yourself and your spouse/CU partner (if filing a joint return) or your domestic partner. Check each box that applies. The box for "Yourself" is already checked. Add the number of boxes checked and enter the total in the box on line 6.

Note: The domestic partnership must be registered in New Jersey by the last day of the tax year. You can only claim your domestic partner if they do not file a New Jersey return. You must enclose a copy of your Certificate of Domestic Partnership the first time you claim the exemption.

## Line 7 - Age 65 or Older

You can claim an exemption if you were 65 or older on the last day of the tax year (born in 1957 or earlier). Check each box that applies. Add the number of boxes checked and enter the total in the box on line 7 .

You must enclose proof of age such as a copy of a birth certificate, driver's license, or church records the first time you claim the exemption(s).

## Line 8 - Blind or Disabled

You must enclose a copy of the doctor's certificate or other medical records evidencing legal blindness or total and permanent disability the first time you claim the exemption(s).

the last day of the tax year. If you are filing jointly, your spouse can also take this exemption if they are a military veteran who meets the requirements. You cannot claim this exemption for your domestic partner or dependents. Add the number of boxes checked and enter the total in the box on line 9.

You must provide official documentation showing that you were honorably discharged or released under honorable circumstances from active duty the first time you claim the exemption(s). Your documentation must list your character of service (discharge).

A list of acceptable documentation and ways to submit it is available on our website.

## Line 11 - Other Dependents

You can claim an exemption for each other dependent who qualifies as your dependent for federal tax purposes. Enter the number of your other dependents on line 11.

## Line 12 - Dependents Attending College

You can claim an additional exemption for each dependent student if all the requirements below are met. You cannot claim this exemption for yourself, your spouse, or your domestic partner.

- Student must be claimed as a dependent on line 10 or 11.
- Student must be under age 22 on the last day of the tax year (born 2001 or later).
- Student must attend full-time. Full-time is determined by the school.
- Student must spend at least some part of each of five calendar months of the tax year at school.
- The educational institution must be an accredited college or post-secondary school, maintain a regular faculty and curriculum, and have a body of students in attendance.
- You must have paid one-half or more of the tuition and maintenance costs for the student. Financial aid received by the student is not calculated into your cost when totaling one-half of your dependent's tuition and maintenance. However, the money earned by students in college work study programs is income and is taken into account.

Enter the number of exemptions for your qualified dependents attending colleges on line 12.

## Line 13a-13c - Totals

Add lines $6,7,8$, and 12 and enter the total on line 13a.
Add lines 10 and 11 and enter that total on line 13b.
Enter the amount from line 9 on line 13c.

## Line 14 - Dependent Information

Enter the full name, Social Security number, and birth year for each dependent child or other dependent you claimed on line 10 or 11.

Enter the same Social Security number, individual taxpayer identification number (ITIN), or adoption taxpayer identification number (ATIN) for each dependent that you entered on your federal return. If you do not provide a valid Social Security number, ITIN, or ATIN for a dependent, the exemption will be denied.

If you have more than four dependents, enter the information for your first four dependents on the lines provided. Enclose a statement listing the information for your additional dependents.

## Gubernatorial Elections Fund

If you would like to designate $\$ 1$ to help candidates for Governor pay campaign expenses, check the "Yes" box. If you are filing a joint return, your spouse can also designate $\$ 1$ to this fund. Checking the "Yes" box will not reduce your refund or increase the amount you owe.

For more information on the Gubernatorial Public Financing Program, contact the New Jersey Election Law Enforcement Commission at 609-292-8700 or online.

## Driver's License Number

Enter your Driver's License or state Non-Driver Identification Card number including the two-letter abbreviation of the issuing state. Providing this information is voluntary. We may use this information to validate your identity in our effort to combat identity theft and fraudulent filing.

## Income Lines 15-27

Gross income means all income you received in the form of money, goods, property, and services unless specifically exempt by law.

In column A, you must report income from everywhere, whether from inside or outside New Jersey (worldwide),
that would be taxable if you were a New Jersey resident. If you are filing a joint return, report the income of both spouses in column A, even if only one had income from New Jersey.

In column B, enter your income from New Jersey sources. For every entry in column $A$, there must be an entry on that line in column B. If none of your income is from New Jersey sources, enter " 0 " in column B. Your final tax liability is based on the percentage of your income that is from New Jersey sources.

Report all income on the proper lines. For example, do not enter pension income on the wage line.

Accounting Method. Use the same accounting method for New Jersey Income Tax that you used for federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for federal purposes.

Reporting Losses. If you have a net loss in any category of income, remember the following:

- You cannot report a loss on your NJ-1040NR (e.g., in parentheses or as a negative number);
- You can net losses with gains in the same category of income. For example, you can subtract gambling losses from gambling winnings during the tax year;
- You cannot apply a net loss in one category of income against income or gains in a different category on your NJ-1040NR. For example, you cannot subtract gambling losses from your wages;
- If you have a net loss in any income category, make no entry on that line of your NJ-1040NR. Do not enter zero. Do not enter the amount of the loss in parentheses or as a negative number;
- No carryback or carryover of losses is allowed when reporting income on your $\mathrm{NJ}-1040 \mathrm{NR}$.

## Line 15 - Wages, Salaries, Tips, etc.

## Column A

Enter the total of State wages, salaries, tips, bonuses, commissions, etc., from all employment both inside and outside New Jersey. Take the amount from box 16 of your W-2 (see sample below). Include all payments whether in cash, benefits, or property.

If you were employed outside New Jersey, you may need to adjust your wages to reflect New Jersey tax law. For example, if you had a Section 125 cafeteria plan that is taxable for New Jersey purposes but is not included in box 16 of your W -2, you must add that amount back into your State wages.

Nonresident servicepersons, see page 31.
Retirement Plans. Under New Jersey law, contributions to retirement plans (other than 401 (k) Plans) are included in State wages on the W-2 in the year the wages are earned. This may cause your State wages (box 16) to be higher than your federal wages (box 1).

Meals and/or Lodging. You can exclude meals and/or lodging reported as wages on your W-2 if:

1. The meals and/or lodging were provided on the business premises of your employer; and
2. The meals and/or lodging were provided for the convenience of your employer; and

For lodging only:
3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/or lodging from your wages, you must enclose a signed statement explaining how you met these conditions. If you do not enclose the statement, your wages will be changed back to the full amount shown on your W-2.

New Jersey State Police officers cannot exclude food and maintenance payments received as part of their union contract. These payments do not meet the criteria above.

Employee Business Expenses. Employee business expenses are not deductible for New Jersey tax purposes. However, you can exclude reimbursements for employee business expenses reported as wages on your W-2 if:

1. The reimbursements are for job-related expenses;
2. You are required to and do account for these expenses to your employer; and
3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you received excludable reimbursements for employee business expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons. Also, enclose a copy of your federal Form 2106.

## Sample W-2 (This form is for illustration only and is not reproducible.)

Federal Statutory Employees. If you are considered a "statutory employee" for federal tax purposes, you cannot deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The federal label of "statutory employee" has no meaning for New Jersey tax purposes. Business expenses can only be deducted from the business income of a self-employed individual. See the instructions for Schedule NJ-BUS-1, Part I (Net Profits From Business) on page 15.

Moving Expenses. Moving expenses are not deductible for New Jersey Income Tax purposes.

You can, however, exclude reimbursements for the following moving expenses if you met the federal requirements to claim moving expenses that were in effect on December 31, 2017, and the expenses were included in wages on your W -2:

1. The cost of moving your household goods and personal effects from the old home to the new home.
2. The actual expenses you incurred for traveling, meals, and lodging when moving yourself and your family from your old home to your new home.

Reimbursements for any other moving expense cannot be excluded from income.

If you received excludable reimbursements for moving expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons.

Compensation for Injuries or Sickness. Certain amounts received for personal injuries or sickness are not subject to tax. You can exclude such amounts included as wages on your W-2 if:

1. The payments were compensation for wage loss that resulted from absence due to your injury or sickness; and
2. The payments were due and payable under an enforceable contractual obligation under the plan; and
3. The payments were not related to sick leave wage continuation, which is largely discretionary and payments are made regardless of the reason for absence from work.

If such payments are included in wages on your W-2, enclose Form NJ-2440.

You must enclose all W-2s with your tax return. Do not attach them to your return.

## Column B

Enter the portion of your wages, salaries, etc., that comes from New Jersey sources. If zero, enter "0."

Pennsylvania residents, see page 32. Nonresident servicepersons and nonmilitary spouses of military personnel, see page 31 .

If you had wage/salary income earned partly inside and partly outside New Jersey, and you cannot easily determine the amount of income from New Jersey, see Part II on page 29 .

TAXCheck the box at line 15 if you complete lines 69-75 (Part II, Allocation of Wage and Salary Income Earned Partly Inside and Outside New Jersey).

Do not use Part II if your wage/salary income is based on volume (the amount of sales or amount of business transacted). Instead, use the following formula:
NJ Vol.
Total Vol.
The location where the services or sales were actually performed is the deciding factor when determining where the business was transacted. Enclose an explanation of how you calculated the amount of wage/salary income.

Part-Year Nonresidents. Enter in column A the portion of your wages earned while you were a nonresident. Include wages from sources both inside and outside New Jersey.

Column B. Enter in column B the portion of your wages from New Jersey sources earned while you were a nonresident (unless you were a Pennsylvania resident).

## Line 16 - Taxable Interest Income Column A

Enter all of your reportable interest from sources both inside and outside New Jersey.

Common sources of reportable interest:

- Banks;
- Savings and loan associations;
- Credit unions;
- Savings accounts;
- Checking accounts;
- Bonds and notes;
- Certificate of deposit;
- Life insurance dividends;

- Ginnie Maes, Fannie Maes, Freddie Macs;
- Repurchase agreements;
- Obligations of states and their political subdivisions, other than New Jersey;
- Grantor trusts;
- Any other interest not specifically exempt.

Do not include on this line:

- Interest that was earned and paid to a sole proprietorship, a partnership, or an S corporation. Report on Schedule NJ-BUS-1. Note: If you received a Form 1099 from a partnership or an S corporation for interest paid or deemed to have been paid to you, you must include that interest on line 16, column A;
- Interest that was earned and paid to an estate or trust (other than a grantor trust). Report on line 26.

Forfeiture Penalty for Early Withdrawal. If you incur a penalty by withdrawing a time deposit early, you can subtract the amount of the penalty from your interest income.

Enclose document

If line 16 , column $A$ is more than $\$ 1,500$, enclose a copy of Schedule B, federal Form 1040.

Tax-Exempt Interest Income. Do not report tax-exempt interest on line 16. For more information on tax-exempt interest income and New Jersey qualified investment funds, see GIT-5, Nontaxable Investment Income.

Part-Year Nonresidents. Include only the interest you received while you were a nonresident of New Jersey.

## Column B

Do not report interest from personal accounts. Only report on line 16, column B interest received as a result of a business or profession carried on in New Jersey and not reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of $S$ corporation income. (See instructions for line 16, column A.)

## Line 17 - Dividends

## Column A

Enter the dividends you received from investments (e.g., from stocks, mutual funds) or other income-producing activities that do not constitute a trade or business. The
total taxable dividends received, regardless of where earned, must be included.

Taxpayers, including partners in a partnership and shareholders of an S corporation, report global intangible low-taxed income (GILTI) as dividend income when the income is actually distributed from earnings and profits For more information, see IRC $\S 951 \mathrm{~A}$ : Reporting and Payment/Pass-through Entities.

Do not include on this line:

- Dividends that were earned and paid to a sole proprietorship, a partnership, or an S corporation. Report on Schedule NJ-BUS-1. For more information on reporting partnership or S corporation income, see GIT-9P, Partnership Income, or GIT-9S, Income From S Corporations;
- Dividends that were earned and paid to an estate or trust (other than a grantor trust). Report on line 26.

Capital Gains Distributions. Do not report capital gains distributions you received from mutual funds or other regulated investment companies on this line. Report this income on Part I, line 66.

Tax-Free Distributions. A distribution that is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or tax-free distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends you received from insurance companies are not reportable unless the amount you received is more than the premiums paid. Any interest from accumulated insurance dividends is reportable, and you must include it on line 16, column $A$.

Part-Year Nonresidents. Include only the dividends you received while you were a nonresident of New Jersey.

## Column B

Do not report dividends from personally held securities. Only report on line 17, column B dividends received as a result of a business or profession carried on in New Jersey and not reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of Scorporation income. (See instructions for line 17, column A.)

## Line 18 - Net Profits From Business

## Column A

Complete Part I of Schedule NJ-BUS-1 and enter on line 18 , column A, the amount from line 4 of Part I. If the amount on line 4 is a loss, enter " 0 " on line 18, column A. See instructions on page 15.

## Enclose Enclose Schedule NJ-BUS-1 and a copy document of the federal Schedule C (or C-EZ or F) for each business with your return.

## Column B

## Line 22 - Taxable Pensions, Annuities, and IRA Distributions/Withdrawals

## Column A

Retirement income such as pensions, annuities, and certain IRA withdrawals is reportable on your New Jersey return. The New Jersey reportable amount may be different from the federal taxable amount. Enter the reportable amount on line 22, column $A$.

Common types of taxable retirement income:

- Pensions from the private sector;
- Federal, state, and local government, and teachers' pensions;
- Keogh Plan distributions;
- 401(k) Plan distributions;
- Early retirement benefits;
- Amounts reported as pension on Schedule NJK-1, Partnership Return Form NJ-1065;
- Civil Service pensions and annuities, even if based on credit for military service. These are received from the U.S. Office of Personnel Management.

Common types of nonreportable retirement income (do not report on this return):

- Social Security benefits;
- Railroad Retirement benefits;
- Public or private disability pension benefits until the year you turn 65. Beginning with the year you turn 65 , the benefits are treated as ordinary pension income;
- U.S. Military pensions and survivor's benefit payments (Most are received from the U.S. Department of Finance and Accounting Service.)

Part-Year Nonresidents. Include only the reportable amounts you received while you were a nonresident of New Jersey.

## Types of Retirement Plans

Retirement plans are either noncontributory or contributory.

Noncontributory. You made no contributions to your plan. Amounts you receive from these plans are fully reportable. Enter the amount from your 1099-R on line 22, column A.

Contributory (Other Than IRAs). You made contributions to your plan. Contributions are usually made through payroll deductions and, in general, are taxed when they are made. Contributions made to a retirement plan (other than a 401(k) Plan) outside New Jersey are considered to have been previously taxed. These plans also may include employer contributions and earnings, which have not been taxed.

Since you have already been taxed on your contributions, you must determine the portion of your distribution that is reportable. There are two methods of calculating the reportable amount: Three-Year Rule Method and General Rule Method. To determine which method to

The federal actuarial tables are contained in the Internal Revenue Service's Publication 939, General Rule for Pensions and Annuities. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.

use, complete Worksheet A on page 12 the year you begin receiving pension and annuity payments.

Note: If you received a distribution from a 401(k) Plan, do not complete Worksheet A. See the section on 401(k) Plans below. If you made a withdrawal from an IRA, do not complete Worksheet A or B. Instead, complete Worksheet $C$. See the section on IRAs below.

Three-Year Rule Method. Use this method if you will recover all your contributions within 36 months from the date you receive your first payment from the plan, and both you and your employer contributed to the plan.

Do not report pension and annuity payments as income on line 22 until you have recovered all of your contributions. Once you have recovered your contributions, the payments you receive are fully reportable and must be entered on line 22, column A.

General Rule Method. You must use this method if you will not recover your contributions within 36 months from the date you receive your first payment from the plan or if your employer did not contribute to the plan. Part of your pension is excludable and part is reportable every year. The excludable amount represents your contributions. Complete Worksheet B in the year you receive your first payment from the plan and keep it for your records. You will need it for calculations in future years. Recalculate the percentage on line 3 of Worksheet B only if your annual pension payments decrease.

## Lump-Sum Distributions and Rollovers

When you receive a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan, any amount that exceeds your previously taxed contributions must be included in your income in the year received. New Jersey has no provision for income averaging of lump-sum distributions. Enter the reportable amount on line 22, column A.

If you roll over a lump-sum distribution from an IRA or a qualified employee pension or annuity plan into an IRA or other eligible plan, do not report the rollover on line 22 if it qualifies for deferral for federal tax purposes. The amount rolled over (minus previously taxed contributions) will be reportable when it is withdrawn.

## 401(k) Plans

1. Contributions made on or after January 1, 1984, were not taxed when they were made. If all of your contributions were made on or after that date, your distributions are fully reportable unless your contributions exceeded the federal limit. If your contributions exceeded the federal limit, you must calculate the reportable portion of your distributions using one of the methods described under contributory plans.
2. Contributions made before January 1, 1984, were taxed when they were made. If you made contributions before that date, you must calculate the reportable portion of your distributions using one of the methods described under contributory plans.

For more information on pension and annuity income, see GIT-1 \& 2, Retirement Income.

## IRAs

Your IRA consists of contributions, earnings, and certain amounts rolled over from pension plans. In general, your contributions were taxed when they were made and are not reportable to New Jersey when you make a withdrawal. All the earnings and any amounts rolled over taxfree are reportable when withdrawn.

Use Worksheet C to calculate the reportable portion of your IRA withdrawal. If you made withdrawals from multiple IRAs, you can use a separate worksheet for each or combine all IRAs on one worksheet.

Lump-Sum Withdrawal. If you withdraw the total amount from an IRA, all the earnings and any amounts rolled over tax-free are reportable. You must report these amounts in the year you make the withdrawal.

Periodic Withdrawals. If you make withdrawals over a period of years, the part of the annual distribution that represents earnings is reportable. The amount reportable for New Jersey purposes may be different from the amount you report on your federal return.

For more information on IRA withdrawals, see GIT-1 \& 2, Retirement Income.

## Roth IRAs

Your contributions to a Roth IRA are reportable as part of your income when they are made. Distributions from a Roth IRA that meet the requirements of a qualified distribution are excludable. Do not include qualified distributions on Form NJ-1040NR. If you received a nonqualified distribution, you must report the earnings on line 22, column A. A distribution that is considered nonqualified for federal purposes is also considered nonqualified for New Jersey purposes.

If you converted an existing IRA to a rollover Roth IRA during Tax Year 2022, any amount from the existing IRA that would be reportable if withdrawn must be included on line 22 , column A .

For more information on Roth IRAs, see Technical Bulletin TB-44.

## Line 63 - Balance Due

Compare lines 58, 59, and 62 and complete line 63 as follows:

- If you have an amount on line 58, add lines 58 and 62 and enter the total.
- If you have an amount on line 59 but it is less than the amount on line 62, subtract line 59 from line 62 and enter the result.
- If you have no amount on lines 58 and 59 but you have an amount on line 62, enter the amount from line 62.

See "How to Pay" on page 30.

If you do not file your return or make a payment on time, we may charge you penalties and interest. See page 31.

## Line 64 - Refund

If you have an amount on line 59, subtract line 62 from line 59 and enter the result.

You must submit your return to claim a refund. If the refund is $\$ 1$ or less, you must enclose a statement requesting it.

Time Period for Refunds. Generally, you have three years from the date the return was due (including extensions) to request a refund.

Claims Against Your Refund (Set-Off/Offset Programs). Your refund can be used to pay debts you owe to:

- The State of New Jersey, including any of its agencies;
- The Internal Revenue Service;
- Another claimant state/city that has a personal income tax set-off agreement with New Jersey.

If we apply your refund or credit to any debts, we will notify you by mail.

## Part I: Net Gains or Income From Disposition of Property

Report your capital gains and income from the sale or exchange of property (both inside and outside New Jersey). You can deduct the expenses of the sale and your basis in the property from the sales price.

In general, when calculating your gain or loss, you will use the cost or adjusted basis that you used for federal purposes. However, in certain situations, you may use a different basis.

- Sale of interest in a partnership, a sole proprietorship, or rental property. You may be required to use a New Jersey adjusted basis.
- Sale of S corporation shares. You must use your New Jersey adjusted basis.

If you sold or transferred real property in New Jersey and made estimated tax payments in connection with the sale or transfer, include those payments on line 51. Enclose a copy of Form GIT/REP-1, Nonresident Seller's Tax Declaration, or GIT/REP-2, Nonresident Seller's Tax Prepayment Receipt, with the return.

Sale of Principal Residence (Main Home). Capital gain is calculated the same way as for federal purposes. Any
amount that is taxable for federal purposes is taxable for New Jersey purposes. For more information on reporting capital gains from the sale of a main home, visit the IRS website at irs.gov.

Installment Sales. You must report all gains from installment sales in the same year as they are reported for federal purposes. If the New Jersey basis is different from the federal basis, you must make a New Jersey installment sale calculation and report the New Jersey gain.

Depreciation and Expense Deduction. New Jersey and federal depreciation and expense deduction limits are different. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

Complete Liquidation. If you had an interest in a partnership, sole proprietorship, or S corporation that sold or disposed of virtually all of its assets in conjunction with the complete liquidation of the entity, you must report your portion of the gain or loss from the sale or disposition of those assets.

## Line 65 - List of Transactions

List any reportable transaction(s) as reported on your federal Schedule D, indicating the gain or loss for each transaction in column f. In listing the gain or loss on disposition of rental property, you must take into consideration the New Jersey adjustment from Worksheet GIT-DEP, Part I, line 6.

Do not include gains or losses from the sale of exempt obligations. See GIT-5, Nontaxable Investment Income.

There is no distinction between active and passive losses for New Jersey purposes. You cannot carry back or carry forward such losses when reporting income on Form NJ -1040NR. You can deduct federal passive losses in full in the year incurred against any gain within the same category of income, but only in the year that it occurred.

If you need more space, enclose a statement with the return listing any additional transactions.

## Line 66 - Capital Gains Distributions

Enter your capital gains distributions from Form 1099-DIV(s) or similar statement(s). Do not include capital gains from a New Jersey qualified investment fund that are attributable to qualified exempt obligations or gains from mutual funds to the extent attributable to federal obligations. For more information on New Jersey
qualified investment funds, see GIT-5, Nontaxable Investment Income.

## Line 67 - Other Net Gains

Enter the net gains or income less net losses from disposition of property not included on line 65 or 66 of Part I.

## Line 68 - Net Gains

Enter the total of the amounts listed on line 65, column $f$ and lines 66 and 67 , netting gains with losses. If the netted amount is a loss, enter " 0. ." Also enter this amount on line 19 , column A. On line 19 , column B, enter the net gains derived from New Jersey sources. If zero or less, enter " 0 ."

Part-Year Nonresidents. Include only the amounts you received while you were a nonresident of New Jersey.

## Part II: Allocation of Wage and Salary Income

Complete Part II if you have wage/salary income earned partly inside and partly outside New Jersey and you cannot readily determine the amount that is from New Jersey.

Do not use Part II if your wage/salary income is based on volume (the amount of sales or amount of business transacted). Instead, see the instructions for line 15, column B.

Check the box at line 15 if you complete this section.

## Line 69 - Amount to be Allocated

Enter the amount reported at line 15, column A, that was earned partly inside and partly outside New Jersey.

## Line 70 - Total Days

Full-year nonresidents, enter 365 (366 for leap years).
Part-Year Nonresidents. Enter the number of days for your period of nonresidence.

## Line 71 - Nonworking Days

Enter the total number of nonworking days (Saturdays, Sundays, holidays, sick leave, vacation, etc.) during the tax year covered by this return.

## Line 72 - Total Days Worked

Subtract line 71 from line 70 and enter the result. This is the total number of days worked during the tax year covered by this return.

## Line 73 - Days Worked Outside New Jersey

Enter the number of days worked outside New Jersey during the tax year covered by this return.

## Line 74 - Days Worked in New Jersey

Subtract line 73 from line 72 and enter the result. This is the number of days you worked in New Jersey during the tax year covered by this return.

## Line 75 - Allocation Factor

Divide line 74 by line 72 . The result will be a decimal. Multiply line 69 by the decimal. Include this amount on line 15 , column B.

## Part III: Allocation of Business Income to New Jersey

Complete Part III if you are required to complete and enclose a Gross Income Tax Business Allocation Schedule (Form NJ-NR-A). This schedule is completed by nonresident individuals, partnerships, estates, and trusts carrying on business both inside and outside New Jersey.

## Signature

Sign and date your return in blue or black ink. Both spouses must sign a joint return. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. We cannot process a return without the proper signatures and will return it to you. This causes unnecessary processing delays and may result in penalties for late filing. If you are filing on behalf of a deceased taxpayer, see "Deceased Taxpayers" on page 32.

## Death Certificate

Check the box below the signature line if you are enclosing a death certificate.

## Paid Tax Preparer Information

Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter their Social Security number or federal preparer tax identification number. Include the company or corporation name and federal identification number, if applicable. A tax preparer who
fails to sign the return or provide a tax identification number may incur a $\$ 25$ penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

Preparer Authorization. Division of Taxation personnel cannot discuss your return or enclosures with anyone other than you without your written authorization because of the strict provisions of confidentiality. If you want a Division of Taxation representative to discuss your tax return with the person who signed your return as your "Paid Tax Preparer," check the box above the preparer's signature line to give your permission.

E-File Mandate. Preparers that reasonably expect to prepare 11 or more individual resident Income Tax returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns if an electronic filing option is available. A tax preparer is liable for a penalty of $\$ 50$ for each return they fail to file electronically when required to do so.

## How to Pay

You can make your payment either electronically (echeck or credit card) or by check or money order. Payments must be postmarked or submitted electronically by April 18, 2023, to avoid penalty and interest charges. If you are paying a balance due for 2022 and also making an estimated tax payment for 2023, make a separate payment for each transaction. If you owe less than \$1, you do not have to make a payment.

Check or Money Order. If you owe tax and are sending the payment with your return, complete a payment voucher (Form NJ-1040NR-V), entering the amount of tax due in the boxes on the voucher. Form NJ-1040NR-V is available on the Division's website.
Make your check or money order payable to State of New Jersey - TGI. Write your Social Security number on the check or money order. If you are filing a joint return, include both Social Security numbers in the same order the names are listed on the return. Send your payment for the balance due with the voucher in the same envelope with your tax return. (See "Where to Mail Your Return" on page 31.)

Electronic Payments. Do not send in the payment voucher if you are paying electronically. When making your payment, you must enter the Social Security number and date of birth of the first person listed on the tax return or your account will not be properly credited.

- Electronic Check (e-check). You can have your payment directly withdrawn from your bank account using our online e-check service. This option is
available on our website. If you do not have internet access, you can make an e-check payment by contacting our Customer Service Center or by visiting a Regional Information Center. (See page 44 for phone numbers or addresses.)
- Credit Card (Processing Fees Apply). You can use an American Express, Discover, MasterCard, or Visa credit card to make your payment. This option is available on our website or by phone at 1 (888) 673-7694. You can also pay by credit card by contacting the Division's Customer Service or by visiting a Regional Information Center. (See page 44 for phone numbers or addresses.)

## Penalties, Interest, and Collection Fees

If you do not file your return or make your payment on time, we may charge you the following penalties and interest:

- Late Filing Penalty. When you file a return after the original or extended due date, we will assess a penalty of $5 \%$ per month (or part of a month) up to a maximum of $25 \%$ on the outstanding tax balance. You may also be charged a $\$ 100$ penalty for each month the return is late.
- Late Payment Penalty. When you pay after the filing deadline, you may be charged a $5 \%$ penalty on the outstanding balance.
- Interest. We will assess interest at an annual rate of $3 \%$ above the prime rate each month (or part of a month) the tax is unpaid. At the end of each calendar year, any tax, penalties, and interest remaining unpaid will become part of the balance on which interest is charged. See Technical Bulletin TB-21(R) for current and previous years' interest rates.
- Collection Fees. In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of $11 \%$ of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax may also be imposed.

## Where to Mail Your Return

Mail your NJ-1040NR, related enclosures, payment voucher, and check or money order for any tax due.
Send only one return per envelope.

## Mail Your Return to:

State of New Jersey
Division of Taxation
Revenue Processing Center
PO Box 244
Trenton NJ 08646-0244

Do not staple, paper clip, tape, or use any other fastening device for your return and enclosures.

## Military Personnel

A member of the Armed Forces whose domicile is outside New Jersey does not become a resident of this State when assigned to a duty station in New Jersey. They are a nonresident for Income Tax purposes.

Income you receive as a nonresident from New Jersey sources other than military pay is taxable. Military pay is not taxable to a nonresident of New Jersey. Do not report military pay in Column A or Column B. Military pensions, mustering-out payments, and subsistence and housing allowances are not taxable and also should not be included.

For a more in-depth discussion of residency status and information on how to stop having New Jersey Income Tax withheld from your military pay, see GIT-6, PartYear Residents and Nonresidents and GIT-7, Military Personnel and Families.

## Death Related to Duty

When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no Income Tax is due for the year the death occurred, or for any earlier years served in the zone or area.

## Spouses of Military Personnel

Federal law allows spouses of military personnel to choose the same legal residence as the service member for state and local tax purposes. The spouse does not have to actually live in the state or live with the service member spouse during the year.

If your spouse is a member of the military and you live in New Jersey but choose a different state as your legal residence, you are not subject to tax on wages earned in New Jersey. If you had New Jersey tax withheld in error or made estimated payments, file a New Jersey Nonresident Income Tax Return (Form NJ-1040NR) to get a refund. Enclose a statement explaining why your wages are exempt along with a copy of your spousal military identification card. Print military spouse at the top of the return. To stop New Jersey Income Tax withholding, file Form NJ-165, Employee's Certificate of Nonresidence in New Jersey, with your employer.

All other types of income from New Jersey, such as gain from sale of property located in New Jersey, are taxable. If you had other types of income, you must file a New Jersey nonresident return if required (see chart on page 2). Wages earned in New Jersey by a spouse who lives outside New Jersey also are subject to New Jersey Income Tax. If you live outside New Jersey, you cannot
use form NJ-165 to claim an exemption from New Jersey Income Tax withholding on wages earned in this State as the spouse of a servicemember.

For more information on military spouses, see GIT-7, Military Personnel and Families.

## Military Extensions

If you are not able to file on time because of distance, injury, or hospitalization as a result of being on active duty with the Armed Forces of the United States, you will automatically receive a six-month extension by enclosing an explanation when filing the return.

Combat Zone. New Jersey allows extensions of time to file Income Tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area that has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by federal statute.

Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return and pay tax due.

In addition, if you are hospitalized outside New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension also applies to your spouse if you file a joint return.

## Enclose document <br> Enclose a statement of explanation with your return when you file that includes the reason for the extension. <br> For more information on military personnel, see GIT-7, Military Personnel and Families.

## Pennsylvania Residents

As a result of the Reciprocal Personal Income Tax Agreement between Pennsylvania and New Jersey, compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey Income Tax. Compensation means salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered as an employee.

If New Jersey Income Tax was withheld from your wages, you must file a New Jersey nonresident return to get a refund. To stop the withholding of New Jersey

Income Tax, complete a New Jersey Employee's Certificate of Nonresidence in New Jersey (Form NJ-165) and give it to your employer.

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) that is taxable in both states, you must file a New Jersey nonresident return and report the income received.

Column A. Complete column A, lines 15 through 27, showing income from everywhere.

Column B. When Pennsylvania residents complete column B, employee compensation from New Jersey sources should not be included on line 15. For Pennsylvania residents line 15 , column $B$, is zero, so enter " 0 ."

Withholdings. If New Jersey Income Tax was withheld, enter the amount from your W-2s on line 50.

Signed Statement. Pennsylvania residents employed in New Jersey who had New Jersey Income Tax withheld in error must enclose a signed Statement of New Jersey Nonresidency, which is available on our website.

## Deceased Taxpayers

If a person received income in 2022 but died before filing a return, the surviving spouse or personal representative (executor or administrator of an estate or anyone who is in charge of the decedent's personal property) should file the New Jersey return.

Filing Status. Use the same filing status that was used on the final federal income tax return, unless the decedent was a partner in a civil union. (See "Filing Status" on page 4.)

## Name and Address

- Joint return. Write the name and address of the decedent and the surviving spouse in the name and address fields. Print "Deceased" and the date of death above the decedent's name.
- Other filing status. Write the decedent's name in the name field and the personal representative's name and address in the remaining fields. Print "Deceased" and the date of death above the decedent's name.

Exemptions and Deductions. Prorate exemptions and deductions only if the decedent was a New Jersey resident for part of the year and a nonresident for part of the year.

## Signatures

- Personal representative. A personal representative filing on behalf of a deceased taxpayer must sign
the return in their official capacity. If it is a joint return, the surviving spouse also must sign.
- No personal representative. If filing a return when there is no personal representative for the deceased, the surviving spouse signs the return and writes "Filing as Surviving Spouse" or "Filing as Surviving Civil Union Partner" in the signature section.
- No personal representative and no surviving spouse. If there is no personal representative and there is no surviving spouse, the person in charge of the decedent's property must file and sign the return as "Personal Representative."

If there is a refund due and you want us to issue the check to the decedent's surviving spouse or estate:

- Fill in the oval below the signature line; and
- Enclose a copy of the decedent's death certificate (if an estate, also include the Surrogate's Short Certificate).

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had they lived, and the income was not included on the decedent's final return, you must report it on your own return when you receive it. Include the income on line 26 as "Other" income.

## Amended Returns

File an amended return and pay any tax due if:

- You receive an additional tax statement (W-2 or 1099) after filing your return; or
- You find that you made a mistake on your previously filed return; or
- There are any changes in your federal income tax that affect your New Jersey taxable income. The amended return must be filed within 90 days.

To file an amended nonresident return, complete a new NJ-1040NR and check the box at the top of the return. Enclose all supporting documents, schedules, and forms (W-2, NJK-1, etc.) Do not use Form NJ-1040X to amend a nonresident return.

## After You Complete the Form

- Do not staple, paper clip, tape, or use any other type of fastening device.
- Check name, address, and Social Security number, for accuracy.
- Send only one return per envelope.
- Enclose all supporting documents, forms, and schedules.
- Keep a copy of your return and all supporting documents, schedules, and worksheets until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later.
- If you filed your original return and need to make changes or correct mistakes, you must file an amended Form NJ-1040NR.

## Privacy Act Notification

The Division of Taxation uses your Social Security number primarily to account for and give credit for tax payments. We also use Social Security numbers to administer and enforce all tax laws for which we are responsible.

## Federal/State Tax Agreement

The Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange Income Tax information in order to verify the accuracy and consistency of information reported on federal and New Jersey Income Tax returns.

## Fraudulent Return

You may be liable for a penalty up to $\$ 7,500$, or imprisonment for three to five years, or both, if you deliberately fail to file a return, file a fraudulent return, or attempt to evade paying your tax.

## 2022 New Jersey Tax Table

Use this table if your New Jersey taxable income on line 39 is less than $\mathbf{\$ 1 0 0 , 0 0 0}$. If your taxable income is $\$ 100,000$ or more, you must use the Tax Rate Schedules on page 43.

Example: Mr. and Mrs. Evans are filing a joint return. They checked filing status "2," married/ CU couple, filing joint return. Their taxable income on line 39 of Form NJ-1040NR is $\$ 39,875$. First they find the $\$ 39,850-\$ 39,900$ income line. Next, they find the column for filing status " 2 " and read down the column. The amount shown where the income line meets the filing status column is $\$ 628$. This is the tax amount they will enter on line 40 of Form NJ-1040NR.

| If Line 39 (taxable income) Is- |  | And Your Filing Status* Is |  |

## Taxpayers' Bill of Rights

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

## Service-

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

## Appeals-

- Time to appeal to the Tax Court is generally 90 days.

## Interest on Refunds-

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You can request that your overpayment of this year's tax be credited towards next year's tax liability; however, interest will not be paid on overpayments that are credited forward.
For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, see publication ANJ-1, New Jersey Taxpayers' Bill of Rights.
